NUMBER 52

Have You Heard?

by Dorothy McCain Elsenius

Ivahdell Rolfe, ticket chairman for the up-coming March of Dimes Theater Party, which will be held Sat., Sept. 18, at the Contra Costa Civic Theater (the former Boys' Club), Moser and Pomona in El Cerrito, has announced a correction in the price of the tickets—they will be \$2.50 each, not \$3 as previously reported.

Curtain time for the show, which has Albanyites Lorraine Baum and Louis Capeluto in the cast, will be 8:30 p.m.

For further information and/or tickets, please call Mrs. Rolfe at 525-4282.

Have you noticed much work being done around home by the "man of the house?" Must be a lot going on... Judging from the number of men, both young and old, seen going in and out of the Thousand Oaks Hardware store lately. Or could the attraction be those cute little girls in "hot pants" who wait on the customers?

A great number of Albany residents now have copies of the one percent property tax limit initiative petitions available for signatures.

Those who want to put their signature to the petition, to put the Jarvis Fair Tax Amendment on the ballot, are invited to call and make an appointment with any of the following: Del Wiser, 525-2640; Jean Rutherford, 524-5632; Lillian Henry, 525-7954; Frank Downing, 525-8305; Mrs. Earl Gerhardt, 525-7736; Mrs. Flora Ayers, 524-9106; Mrs. Armando Meuti, 526-6600; Ralph Holtzmeister, 526-2714; Velma Barnett, 525-9157, or Rose Biron, 526-8957.

If you are curious about the figure at the bottom of this week's front page, watch next week's edition for the answer.

Have you heard... that the Albany Blue Dolphin Swim Team is seeking new members—and you don't have to be a fast swimmer, as they will teach you?

During vacation the team practices Monday through Friday, from 5 to 6:30 p.m.; following the reopening of school practice time will be from 3:30 to 5 p.m.

Those interested in joining the swim team are invited to visit the Albany Pool, 1311 Portland Avenue.

For further information call 526-7386.

Members of the Albany Rotary Club who attended the Aug. 24 meeting, which had no regular program because of the Club Assembly called for that night.

Testimonial Dinner Set

A testimonial dinner is being planned to honor Mrs. Nell Curran, retiring Director of the Albany Preschool. Mrs. Curran, who has held the position since 1939, will retire on October 1.

The dinner will be held Saturday evening, Sept. 25 at Goodman's, 10 Jack London Square in Oakland. No-host cocktails at 6:30 p.m., will be followed by dinner at 7:30.

Commendations from the City of Albany and other civic organizations will be awarded during the program, which will be attended by many local community leaders, as well as former preschoolers and their parents.

Tickets for the dinner will be \$7.50 per person. For tickets or further information, please call Mrs. Donald Jackson, 526-2463.

Subscriptions Misrepresented?

John D. Duncan, President of the Albany Republican Assembly, is issuing the following warning to local residents:

"As a member of the Alameda County Republican Central Committee, I wish to warn all Albany Republicans against efforts to sell them a subscription to 'The Republican'."

"This publication has nothing to do with the party in Alameda County. I suggest anyone getting such a phone call ask if the money goes to the Republican Party in Alameda County. Actually not one cent does."

"Under the California election laws, only the Central Committee can authorize the use of the name Republican. I ask that anybody getting a telephone request to subscribe, jot down the details of the call and give them to me."

Institute Meeting

The Fall institute for the entire Albany School District's professional staff will be held at the Albany High School Little Theater, Wednesday, Sept. 8, at 9:30 a.m., with the Honorable James W. Dent, Assemblyman from the 10th District, and former Superintendent of the Mt. Diablo School District, as the featured speaker.

The meeting will be followed by luncheons for the staff members, at each of the schools, prepared by PTA members.

An orientation meeting for all new staff members has been scheduled for Friday, Sept. 10, at 9 a.m. in the Board of Education Room.

The entire staff will be in their classrooms on Friday, preparing for the opening of school Monday, Sept. 13.

Registration Procedure Changes At Albany High

Classes will be on a different schedule at Albany High School this year, and for the first time in the school's history, a college-type registration will be conducted, beginning Monday, Sept. 13.

This method of enrolling in classes will amount to a dramatic departure from tradition for the students on at least two counts. First, students will have some choice of what period of the day they will take a given subject; and second, they will also have some latitude in choosing their teachers.

From the point of view of the teachers, all members of the faculty will be involved in the processes of assigning students to classes, balancing class loads, and assisting students and other teacher in the resolution of conflicts.

In June, all students were informed of the process before school let out, and given an opportunity to work out their schedules with assistance from specially trained students and some faculty members.

In August, each student received a packet of registration materials by mail, and was instructed to bring a sample program, with alternates, to the gym at an assigned time Monday, Sept. 13 or Tuesday, Sept. 14.

Reckas Welcomes Firm's President

Word has been received in the local offices of N. P. "Nick" Reckas, regional salesmanager for Award Fabrics, Inc., of New York, that the president of the firm, Henry Lewton, will visit the Bay Area to inspect Award's Western Division Headquarters, salesroom and warehouse in Albany, to formulate plans for future expansion.

Shipments from the Albany headquarters are directed to outlets in 11 western states and Hawaii.

Award Fabrics, Inc., with its own looms and art-designing departments, specialize in over-the-counter sales in fabrics for women's wear.

Albany Pre-School

Albany Pre-School, located at 850 Masonic Avenue, is now opening for its 34th consecutive year.

The school, open to all families within the Albany city limits, has a limited enrollment, for children 3 years and 10 months to pre-kindergarten age, in the afternoon session.

Mothers interested in enrolling their children, or seeking further information on the school, are invited to phone 524-7822.

Students admitted to the gym will pick up a class card for each class from each teacher, and will not be permitted to leave until his schedule of classes is complete.

Carl O. Couch, high school principal, encourages all students and parents to read carefully all materials received in the August mail out.

Booster Club Seeks Members

The Albany Athletic Booster Club has opened its 1971-72 membership drive, and while reminding old members it is time to renew their membership, the Club would also like to urge all Albany parents who are interested in recreation and athletic activities in our city to join.

The Booster Club is a non-profit organization formed for the purpose of supporting recreation and athletic activities in Albany. The Club proposes to encourage healthy attitudes through interest in athletic activities, and feels there is nothing better than the active participation of parents in the activities of their children.

Monthly meetings are held at Albany High School during the school year, and dues are \$2 per year per person.

Members of the Booster Club will be admitted to all Albany High School football and basketball games for half price—75c.

For further information call club president, Ray DeJong, 526-6800.

Local School Information

According to Alameda County Superintendent of Schools, Rock La Fleche, school opening dates vary among many Alameda County school districts.

In the northern part of the county, Albany and Oakland schools will reopen on Monday, Sept. 13; but the first day of school for Berkeley will be Friday, Sept. 10. Piedmont schools will open on Wed., Sept. 8, and Emeryville will begin its fall term on Tues., Sept. 7.

Fall terms in all of the county's six community colleges will begin on Mon., Sept. 20.

Christmas vacation will extend from Dec. 20 to Dec. 31 in all schools, except four community colleges. Christmas recess will be from Dec. 9 through 31 at Ohlone, and Dec. 16 through 31 at Alameda, Feather River and Chabot.

Spring recess will be March 27 through 31 for all schools, except three community colleges—Alameda, Feather River and Merritt, which will be closed only from March 27 through 29.

Council Acts On Variances

Other action taken by City Council members at Monday night's meeting included setting of public hearings for Sept. 13 for approval of variance at 934 Kains Ave., for construction of a residential garage; and approval of variance at 1013 Orday for extension of a garage.

Approval was granted, for a variance at 1497 Posen Ave., to permit Lena Jean Gwinn to use her garage for a recreation room. The garage, Mrs. Gwinn had noted to the Planning and Zoning Commission, was too small to get a present-day car into. The Commission had recommended approval because there was no solution for making the garage adequate to house a car, and because "the property frontage on the lot is much greater than normal and affords more than ample opportunity to accommodate needed parking on the abutting street frontage."

The Council also completed final actions on an apparently abandoned, inoperative vehicle at 1076 Neilson St. A hearing on the matter had been requested by Adele Dillon, but as no one had shown up Council members ordered the vehicle's removal, according to the city ordinance.

Proclamation

WHEREAS, 50 of the finest football athletes who have recently graduated from Alameda and Contra Costa County High Schools will be participating in the Sixth Annual Alameda County versus Contra Costa County All-Star Football Classic on Sept. 2, 1971, 8:15 p.m. at the Oakland-Alameda County Coliseum, and,

WHEREAS, the Classic is certified by the National Collegiate Athletic Association, and,

WHEREAS, United Cerebral Palsy of Alameda-Contra Costa Counties and the Kiwanis Youth Foundation are beneficiaries of the contest, and,

WHEREAS, this pre-college All-Star Football Classic enables the community to see an excellent athletic contest between our "college stars of tomorrow,"

NOW, THEREFORE, I, Hubert F. Call, Mayor of the City of Albany, proclaim and designate Thursday, Sept. 2, 1971, "All-Star Football Classic Day,"

And, urge all my fellow citizens to attend the Sixth Annual Alameda County versus Contra Costa County All-Star Football Classic, at the Oakland-Alameda County Coliseum, 8:15 p.m. on that day.

HUBERT F. CALL

Mayor of the City of Albany

Note of Thanks

To Police Chief Ralph Jensen and Fire Chief Cerald Browne: I want to express my sincere thanks to your men for their prompt response when I suffered a heart attack last week.

If your men hadn't acted so quickly I might not be here now. Thank you again.

Sincerely,
GERTRUDE ATKINSON

Solano Avenue Complaints Taken 'Under Consideration' By Council

The people of Albany have had their say about the Solano Avenue project... at least the ones who overflowed the Council Chambers Monday night.

Beginning with a brief review by Don Bissell of Bissell & Karns, the design engineers, who explained how and why when the project came into being; and a short slide presentation by Mike McDougall of Leong and McDougall, architects and planners, the meeting progressed very orderly to its climax, when complaining citizens and merchants left the chambers with the Council's promise that their criticisms and complaints would be "looked into" and considered, both by council members and the city engineer. They indicated a study would be made to see if a reduction of some "bulbs" and an increase in parking would be feasible, and could be done without destroying the entire plan.

Most of those addressing the Council were Solano Avenue merchants, and their biggest complaint was the reduction in parking, which Bissell said had been a "recognized problem" from the beginning, and James Turner, Albany City Administrator, admitted parking had been reduced by 88 spaces... from the original 307 to the present 217.

Merchants' hardest hit appeared to be those directly across from the library... an area containing a laundromat, real estate

office, barber shop and a beauty parlor, which had been cut from 11 spaces to three.

The laundromat owner, in business on the same corner since 1964, remarked that he had been told at a meeting last year that the sidewalks would be narrowed in order to make the street wider and provide more parking. Instead, just the opposite has happened—the sidewalk has been widened and the street narrowed

by the bulbs. The decrease in parking has also decreased his business by 15-17%, mainly because his customers do not like to carry their heavy laundry as far as a block or block and a half, where they must now park when patronizing his business.

Other merchants in the same block indicated a feeling that those visiting the library would use their three parking spaces, (Continued on Page 3)

College Offers Variety Of Programs To Students

The Peralta Community College District's Grove Street College, located at 5714 Grove St., Oakland, is now registering students for the fall quarter.

Tuition for all classes is free to residents of Alameda, Albany, Berkeley, Emeryville, Oakland and Piedmont, and veterans may attend on the G.I. Bill.

A variety of academic, business, ethnic studies, vocational, GED courses, trade and apprenticeship programs are being offered and are accredited for the AA Degree and for full transfer credit to universities and state colleges.

High school graduates and people over 18 are invited to choose such courses as a new Asian-American English LA & IB course, Black Cultural philosophy and studies, and Latin-American, Mexican-American Studies.

Other courses offered include: general biology, environment and man (ecology), principles of accounting, English composition and reading, calculus, introduction to physics, chemistry, anthropology, genetics, general psychology, drama, journalism, a Survey in the History of Jazz in American Culture, and much more.

The college offers true education in the community for the community, and is centrally located—convenient for students with part-time jobs, mothers, and workers who would like to attend evening classes.

The college offers a work-study program, free tutoring, a free book loan program, federally in-

sured loans, and a free child-care center.

Class sign-up for day and evening classes are set for Sept. 16 and 17, with classes beginning on the 20th.

For further information call 655-6110 or apply at Building E-1, 5715 Grove St., at the Alleen St. entrance.

PO Hours Noted

Officer-In-Charge William Wollman announced the following schedule for the Berkeley Post Office over the Labor Day Weekend.

Saturday, Sept. 4: normal Saturday services will be provided.

On Sunday, Sept. 5: normal Sunday services except that collections will be limited to the Main Office lobby drops and to collection boxes in front of the Stations and Branches. The Main Office lobby will be open for mail deposit, access to lockboxes, and purchase of stamps from self-service machines. Special Delivery services will be provided.

Monday, Sept. 6, Labor Day: there will be no window or delivery service. All stations including the Main Office will be closed. Mail will be picked up from all deposit points for outgoing dispatch, and Special Delivery Service will be available. The Main Office lobby will be open for mail deposit, access to lockboxes, and the purchase of stamps from self-service machines.

Beware of Bogus Bills

If you have a \$10 bill in your pocket—pull it out and gaze into Alexander Hamilton's eyes... he may be an imposter!

And if you live in one of the central coast counties, stretching from Monterey to the Oregon border, he probably has a lot of friends out there with him, according to Kenneth C. Moore, senior vice president and cashier for Crocker-Citizens Bank, headquartered in San Francisco.

In the last 12-month period (ending June 30), 3,942 individual bogus notes valued at approximately \$78,000 have been circulated in the Bay Area alone. The most common denominations passed were \$10 and \$20 bills.

Special Agent Tom Hanson, who heads the Secret Service in San Francisco, responsible for confiscating the money and apprehending the counterfeiters, estimates that there were at least several hundred separate operations putting the counterfeit money in circulation. Although the great majority of the money was not printed in the Bay Area,

a fair percentage filters up here from Southern California, the counterfeit capital of the country, according to Hanson.

Approximately 90 percent of the money is recovered in banks by trained tellers who spot the bogus bills. Anyone convicted of passing counterfeit money may be fined as much as \$5,000 or imprisoned for up to 15 years, or both.

If you want to protect yourself against receiving bogus money, bank officials suggest you familiarize yourself with the differences between true and false portraits on bills.

On the genuine greenback, the head stands out sharply from the background. Eyes appear life-like, and the background is a fine screen of regular, unbroken lines.

On a counterfeit bill, the portrait may merge with the background. The eyes and other facial features may be dull or smudgy, while the face may seem unnaturally white. The background may be dark, with some irregular broken lines.

Council . . .

(Continued from Page 1)

due to the fact that all parking in front of the library has been removed, and parking on the side streets of Cornell and Talbot will probably be taken up by school people.

Merchants on upper Solano indicated their business had been cut down as low as 20%, and that Solano Avenue merchants depend upon motorized customers, not pedestrians, and therefore need every available parking space they can get.

Some also complained they were not consulted as to what type of parking would be best for their customers—parallel or diagonal. Many of their customers complained of the difficulty of getting out of a space once they had found a vacant one.

During the discussion by Council members, Richard Clark begged the people to "look unemotionally at the street." The beautification project, he said, was being done for the entire citizenry of Albany—shoppers, pedestrians, bicyclists, motorists, property owners and merchants—not for just one segment. He also said the project should be looked at objectively, with an eye to the future.

Indicating his belief that individual property values on the Avenue would increase with the completion of the project, Clark noted that already there has been a decided increase in inquiries concerning commercial property on Solano Avenue.

"There are big business people looking at Solano Avenue," he said. "We must look ahead 10 years to make an objective view of the beneficial aspects of this project."

Local residents, as well as merchants, complained about the larger "bulb" or island, at Ordway and Solano. Many others voiced their fear that the planters would become "garbage cans," much as the former tree planters which graced some areas of the Avenue had become. Others predicted stores would be flooded during the rainy season due to the slant of the new sidewalks.

The new "meandering" flow of traffic, loss of the drive-up mail box in front of the Post Office, bicyclists on narrowed sidewalks (as well as street bicyclists "pushed into the flow of traffic at the bulbs"), and the inability to turn on some corners without coming in contact with cars in the opposite lane, were among

other complaints.

Councilman Lewis Howell said he and all the Council members had received daily letters and phone calls concerning the problems on the Avenue, and that many letters had also been sent to the City Administrator's office, which he had not seen.

"The people of Albany have a right to express their views and we should listen to them. I myself feel that the bulbs should be cut down, as they are dangerous."

Bill Garren, president of the Solano Avenue Beautification Committee, defended the project by noting that many of the arguments being heard were the same ones being put forth in all cities trying for improvements.

"We never would have started this project unless we wanted to improve Albany," he said. "The people who are complaining the most will actually get the most out of it when it is completed."

"The actual beautification of the Avenue hasn't begun yet," he continued. "If it hadn't been for the present Teamsters' strike, everything would have been completed and we would be planning our dedication ceremonies, which were originally set for Sept. 15."

Hal Denham, Chamber of Commerce manager, viewed the plan as "very good," but indicated he would like to see more parking.

"As a former Solano Avenue merchant, I sympathize with the merchants on the parking problem, as I do know how important parking can be. However, there is still parking available on the side streets past the 100 foot mark."

Complaints of citizens on Martin Avenue and also Santa Fe indicated a noticeable increase of traffic on their respective streets. Councilmen agreed to have the City Engineer and Police Chief inspect the areas and recommend ways of solving the problem.

At the close of the discussion, Don Bissell indicated his firm would wait for the Council's decision on any changes to be made. "Any specific points on design changes will be given our full attention," he promised.

Have You Heard?

(Continued from Page 1)

were invited to attend the Emeryville Industries program, in the next door meeting room at Spenger's.

The featured speaker for the day was Charlie Finley of the Swingin' A's, who had two of his more popular players with him—Reggie Jackson and Vida Blue.

According to the Rotarians, Reggie turned out to be a great story teller and conversationalist, and could make it "big" in the entertainment field—when and if he ever gets tired of baseball.

In addition to hearing a very unusual and interesting program, those attending also received two box seat tickets for last Sunday's game.

Those who made the acquaintance of pert little nurse, Diana Henke, formerly with Albany Hospital, will be interested in her latest news.

Diana and her husband, Richard, are the proud parents of a baby girl—Krista Diane, born Thurs., Aug. 12—the little doll weighed in at 5 lbs. 14 oz., and is 19" long.

Sept. 5 through 11 will be "Union Label Week" in the City of Albany, according to a proclamation just signed by Mayor Hubert Call.

Don't know if you have heard this before . . . but it was news to me—Tony Montana, who will be remembered as the owner of Albany Plumbing for many, many years, has remarried, and

hopes to retire soon in the picturesque old early California mining area of Sonora.

Tony is currently employed as a plumbing inspector for a neighboring city.

Bernard Goldfein, recent guest of the Albany Lions Club, told those present at the meeting that our state had less to worry about as far as food pollution goes, than any other state in the union.

According to Goldfein, California has the most rigid food inspection of all the states, and some of the most food-conscious people.

He also noted that a recently-opened can of fish, canned some 50 years ago, contained more mercury than that being canned today.

Wonder if you heard that . . . Wapakoneta, Ohio, is one of the few places in the nation—maybe the only place—where you can still pay only 5¢ for a phone call.

The local telephone company there actually takes pride in the fact, and has issued the statement that they have no intention of increasing the rate . . . at least until 1988, which would mark a full 100 years of nickel phone service.

Incidentally—they can't be too behind the times. Wapakoneta also happens to be the home-town of the first man to walk on the moon—Neil Armstrong.

Joe Villa will host the evening meeting for Albany Rotary committee chairmen and members, in his "Hospitality Room," next Tuesday. The meeting will also be attended by District Governor Ross Lawler, who is paying an official visit to the local club.
